

Broadway Rocks!

Thank you for auditioning!

We had over 50 people audition to sing solos/duets/group numbers in this concert, and with each audition I was so proud of the amount of talent and amount of improvement in each person who auditioned. Please pay attention to these mandatory dates. We have a very short prep time for this concert, so if you fail to meet one of these deadlines you will be cut from the show.

Please send a PDF of your sheet music by Friday, April 7 to robblaney@iusd.org. Your music must be in the correct key and have a piano part, guitar chords, and lyrics. IF your song is acapella, please send me an email letting me know the starting note that you need for your song.

Rehearsals with me will be on April 17, 18, 19 during lunch and OH. You may sign up for a time slot when we return to school on April 10th. Please have your song memorized and performance ready for our rehearsal.
